

Annual Filings Nonprofits Must Make

1. State of Incorporation Annual Report – in NJ, by date of incorporation.
2. 990 filing – all 501(c)(3)s must file some form of 990 (except houses of worship) 5 ½ months after the end of FY
 - a. Small tax-exempt organizations whose gross receipts are normally no more than **\$50,000/year** are required to electronically submit Form 990-N, also known as the **e-Postcard**
 - b. Groups with normally >\$50,000 and <\$200,000 in gross receipts and < \$500,000 in assets can file the 990-EZ
 - c. Everyone else files the 990
 - d. Discussion of revocation and reinstatement procedure, plus penalties
3. Charities Registration in your state – check your state’s website for requirements, or www.multistatefiling.org. NJ requires all nonprofits to register and file forms annually, also print solicitation statement on fundraising materials and pledge cards. NOTE: If hiring a paid professional fundraiser (independent; not an employee), file the contract with Charities Registration. See <http://www.probonopartner.org/FileLib/Documents/charitableregistrationinnewjersey.pdf>
4. Games of Chance – Check your state’s requirements. NJ has dual licensing for bingo and raffles: application to the Legalized Games of Chance Control Commission to obtain an identification number and Biennial Registration and then for each event to the municipality where the gaming will be conducted for a license to conduct the gaming activity. Reports must be filed with the state following the event. State application: <http://www.state.nj.us/lps/ca/lgccc/apps/inapbier.pdf>
NOTE: Auctions are not games of chance, so special registration beyond basic Charities Registration is not required.
4. Audits/report as required by contract or license
5. State tax filings after federal tax exemption – probably need to apply for sales tax exemption and possibly state income tax exemption
